Major roadwork in the area
 There is currently major roadwork on South Road in Regency Park to construct the South Road Superway.

The speed limit in the area is reduced to 40km/h and at times to 25km/h. Two lanes of traffic in each direction are maintained for all peak hours (6.30am - 9.30am and 3.30pm - 6.30pm). This map is provided to show the access to **Tony Colyer** during this roadwork.

The driveway from South Road into **Tony Colyer** is a left turn in, and a left turn out only.

From the south
 As it is not possible to turn right from South Road into **Tony Colyer** it is suggested that motorists use either Days Road or Naweena Road and Taminga Street to get to South Road and access the left turn into **Tony Colyer**.

From the North
 When travelling from the north, access to **Tony Colyer** remains the same, with all left turns in and out permitted.

To exit to the north, use Aruma Street and take Gallipoli Drive at the roundabout. This will take you to Grand Junction Road where all turns are permitted.
